Online Registration Solutions for Girl Scout Camps and Education Programs

doubleknot
Delivering a better online experience

Doubleknot empowers Girl Scout councils to fully customize online registration for camps; easily communicate with families, staff and group leaders; and view registration and financial data at a glance. Our goal is to empower your council to stop worrying about managing camp and event registrations and focus on what really matters: delivering your mission. With Doubleknot, you can:

- Configure everything from a simple event to a complex program with different tracks and options—more than 50 event configuration settings are available
- Show visitors real-time availability for the events, programs and sessions they're interested in
- Manage capacity and waitlists
- Offer add-on options like merchandise and equipment rental
- Collect all the information you need for every registration, including emergency contacts, health forms and T-shirt sizes
- Require that mandatory forms be completed before the registration can be submitted
- Create custom payment schedules, early registration discounts, late fees and automatic billing reminders
- Accept online and offline payments
- Automatically send registration confirmation and scheduled reminders
- Offer special incentives like priority registration and discounts
- Check in campers with your smartphone—instead of looking up every attendee in a list or file, just scan the QR-coded ticket using an iPhone, iPad or iPod and our free app

Display real-time availability for all of your camps on your web site
