Virtual Klondike Derby

We are all anxious to get outdoors again and celebrate the spirit of scouting. That day is not quite here yet, but it is coming!

In the meantime, we are planning an online gathering of scouts from throughout Yolano District for [Saturday, February 6th, from 4:00pm to 7:00pm](#)

At Zoom Link:

<https://us02web.zoom.us/j/82375147164?pwd=V0dXTGwwMDhydXpESG5FZFBOb1dQQT09>

This event is open to patrols/dens/small groups from Boy Scout Troops, Webelos Cub Scout Dens, Venturing Crews and Explorer Posts. Individual scouts who don't have a group to participate with are also welcome to attend.

Once your patrol/group/den has decided to participate, each individual should register at this link: <https://ttsu.me/feb6thevent>

There is no cost for this event.

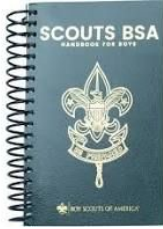

Activities:

We are still developing our activities but here is what we have planned so far:

SKIT: Patrols/dens/groups are welcome to come prepared to do a scouting appropriate skit/stunt/song that can be performed well over Zoom. It should be well thought out, practiced and approved by an adult leader

This document will be updated periodically as more information about the event becomes available.

SCOUT HANDBOOK CHALLENGE: How quickly can you and your patrol members locate information in your scout books and answer questions about scout knowledge.

GOOGLE MAPS CHALLENGE: Figure out where in the world you are by navigating through a virtual world of Google Maps

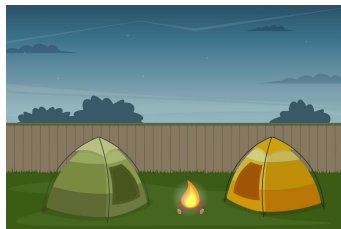

CRIME STORY: Work with your group to solve a crime mystery.

More activities to be posted here soon. If you have any ideas for a fun virtual activity that could be done in breakout rooms, let us know.

We are developing a Klondike themed real-world scavenger hunt using the **Goosechase** app where group members can go out into their community with their family members (we are still practicing physical distancing from other scouts due to COVID) to find items described in the hunt. This event will be open throughout all of January. When your group registers we will send you information about this activity.

Scouts who are brave-at-heart are encouraged to spend the night outside in their own backyard and potentially earn a night of camping (talk to your unit leaders about this)

Tell us what you think! If you have suggestions for fun activities to do during the virtual event, or any other questions/comments/concerns, please contact Brian at davistroup1625@gmail.com
