Participants must complete both the indoor and outdoor sessions to receive credit.

The outdoor experience allows the participant an opportunity to further develop the skills needed for a challenging but safe outdoor program.

This program is open to all Scouting adult and youth leaders at least 14 years of age.

Each participant must bring the following to the Indoor Session

- All participants [BSA Medical Form \(Parts A, B, & C\)](#)
- Valid Youth Protection Certificate**
- All Participants complete Hazardous Weather Training, course # SCO_800**
- All participants must bring a valid 2020 Fire Permit.**
Fire permits available at : <http://www.preventwildfireca.org/Permits/>

BASIC BACKPACKING AWARENESS

Outdoor adventure is the key to the Scouting program. The knowledge, skills, techniques and resources to safely, confidently and comfortably develop an outdoor program for scouting age youth is introduced in this in-depth seminar.

The course content of the Basic Backpacking Awareness seminar is applicable to ALL outdoor activities from day hikes and camporees to car camping and extended backpacking trips.

High Adventure Team programs bring together expertise from many sources to provide you with the best and most up to date information to bring back to your units.
